

## Job description

Comber Physical Therapy is the Virginia Peninsula's only truly integrated clinic with physical therapy, chiropractic care, and massage therapy. We combine holistic care utilizing the best practices to achieve maximum patient results under one roof while providing excellent patient care. Our goal is to return our patients to the life they enjoy and deserve.

We are currently expanding and are searching for experienced full-time therapists to assist us with our growth. We specialize in Neuro, Ortho, and Women's Health but we pride ourselves on treating anyone who needs rehabilitation. We treat a very diverse area of ailments and each of our therapists have a wide variety of specialized areas of care.

You will be responsible for patient-centered outpatient treatment including the development of an individualized plan of care, emphasizing manual techniques and therapeutic exercise, with patients throughout all phases of physical therapy. We emphasize compassionate and quality care resulting in remarkable outcomes. If you are looking to be part of a team of professionals who specialize in manual therapy, then come see what we have to offer.

### Basic Qualifications:

#### Experience

- Minimum two (2) years of experience in physical therapy.

#### Education

- Graduate of an accredited physical therapy curriculum with a bachelor's, master's, or doctoral degree with certification in physical therapy.

#### License, Certification, Registration:

- Licensed to practice physical therapy by the State of Virginia by date of hire. (Required)
- Must have a National Provider Identifier (NPI), or obtain an NPI, prior to employment start date. (Required)
- CPR Certification (Preferred)
